Mercedes-Benz SL SL 190

700.000 SEK, 1958, 94840 Mil, Silver Metallfärg

Tilläggsuppgifter:

Mercedes-Benz 190 SL Silver Roadster vintage car as it should be in the original color combination silver with red leather, unwelded, matching numbers, Solex carburettor, Kienzle clock, Becker Mexico radio, hardtop, tarpaulin always serviced and with documented Austrian history. 6 holders, always approved in Vienna. Painted about 35 years ago in the original color DB 180 silver gray metallic, this paint is still in excellent condition today. The chrome parts are new. All rubber seals have been renewed. The soft top made of Sonnenland fabric is new. Petrol pump with hand lever, water pump and distributor are new. The vehicle is matching numbers, i.e. the water cap motor, gearbox and rear axle correspond to the car data card and thus the delivery status. The engine runs very well with the original Solex carburettors, gearbox and rear axle run smoothly.
